May 23, 2014

Dear Parents,

**A blessed day to you and your family!**

Santa Barbara Catholic School started conducting the first Summer Enrichment Program (SEP) entitled **DISTRICT 12: Conquering the Summer Heat, Empowering our Mind, Heart, and Spirit** last June 4, 2012. It was a 12-in-1 **Interactive, Integrated, and Intensive** course that focused on the development and formation of students' knowledge (**Study**), abilities (**Skill**), and faith (**Spirituality**) through multiple-intelligence approaches and strategies. It aimed to provide the young students an enriching, rewarding, and meaningful summer learning experience through different formative courses that lead the young students in building and strengthening a community of committed Christians, creative thinkers, effective communicators and responsible members of the society.

This year, we would like to invite you again to join our team to make your child's summer fun, memorable, and engaging. Last year, we offered 18 courses. This year we are offering a total of **20 courses**. Two more additional courses were added to tap more of your child's skills and intelligences.

## SUMMER ENRICHMENT PROGRAM 2K14

COURSE TITLE	INSTRUCTOR	COURSE DESCRIPTION	TARGET SKILLS / ACTIVITIES
1. iCount	Mrs. Joyce Guevara	<b>Math Class</b> Don't let the summer heat melt hard-earned math skills. Cool down the summer heat by sharpening Math skills. This course provides venue for students to enhance their knowledge on numbers and practice math skills through fun games and activities.	* Enhancing basic mathematical operations * Approaching and solving word problems * Analyzing data, graphs, and fractions
2. iTech	Ms. Clara Badong	<b>Technology &amp; Computer Class</b> Innovate by learning the latest trends in computer and media technology. Understand the interconnected world of Internet and be a smart and ethical Netizen!	* Computer Skills * Digital Literacy Skills * Technology Innovation
3. iPray	Ms. Bernadette Alcantara	<b>Prayer and Spirituality Class</b> Deepen and strengthen your child's personal relationship with God. Experience the different ways of conversation with God through reflection, meditation, and contemplation.	* Praying * Learning about our Catholic Faith, Prayers and Activities

We would like to share with you some reviews given by our former students and parents.

*“The camp was really fun. It was full of educating activities, but what I love the most are the teachers. They were really patient and fun. Every day, I see smiles on the faces of everyone.”* – **Brydon Balbin**, incoming 6<sup>th</sup> grader

*“Summer Camp was super fun. I learned a lot of things. My favorite was when we learned how to cook and make things.”* – **Julianna Cayton**, incoming 6<sup>th</sup> grader

*“My teachers in summer camp taught me a lot of things like how to cook or play sports, My favorite classes were cooking and watching movies. In cooking class I made sushi, omelette, parfaits, and colored pancakes. The best parts of summer camp was when we played outdoors with water, did a play, received certificates, and made friends. .”* – **Angelie Donguines**, incoming 5<sup>th</sup> grader

We are very proud to say that this unique workshop was pioneered by Spartan teachers and the first ever launched on the island. We are looking forward to mentoring your child this summer.

For inquiries about the schedule, registration and other details, kindly visit SBCS school website [www.sbc.edu.gu](http://www.sbc.edu.gu), email us at [sep@sbc.edu.gu](mailto:sep@sbc.edu.gu) or call 632-5578. **The program is also open to non-SBCS students.**

***“Make your child’s summer COOL.”***

Respectfully yours,

**Workshop Facilitators**  
**Ms. Bernadette Alcantara**  
**Ms. Clara Badong**  
**Mrs. Joyce Guevara**  
**Ms. Kristine Roxas**
